POSITIONS

2022– **Oxford Economics**, New York. Associate Director (Sept 2026–); Lead Economist (June 2022–Sept 2026).
Lead teams of economists delivering applied research for technology, retail, and financial-services clients: causal evaluation of labor regulation (independent-contractor classification, joint-employer and overtime rules), platform economics, and scenario analysis of technology diffusion. Named author of *The Global Value of LEO Satellite Broadband Services* (2026). Findings cited in U.S. federal rulemaking.

2025– **Columbia University**, School of International and Public Affairs. Adjunct Associate Professor.

2022– **New York University**, Wagner Graduate School of Public Service. Adjunct Assistant Professor.

2017– **University of Johannesburg**, Centre for Competition, Regulation and Economic Development. Senior Research Fellow (part-time).

2018–2022 **Bird**, New York. Director (2021–2022); Senior Manager, Policy Research and Economics (2018–2021).
Led research and policy development for small electric vehicles across city, state, and federal government; oversaw research partnerships with academics and third-party organizations; represented the company on industry-association boards and standards committees.

2014–2018 **Cornerstone Research**, New York. Associate.
Supported expert witnesses in federal litigation on securities, consumer fraud, intellectual property, and antitrust matters, including affirmative-action matters ultimately adjudicated at the U.S. Supreme Court.

2011–2013 **Columbia University.** Research Assistant to Joseph E. Stiglitz (*The Price of Inequality*, *The Great Divide*, *Creating a Learning Society*).

EDUCATION

2014 Ph.D. Economics, Columbia University

2008 Postgraduate Diploma in European Competition Law, King's College London

2006 M.Sc. Economics, London School of Economics and Political Science

2004 B.Sc. (Hons) Mathematics and B.Com (Hons) Economics, University of Cape Town
